# MANUFACTURING & TECHNOLOGY

At Qube Elevators, we are committed to providing cutting-edge vertical transportation solutions through advanced manufacturing practices and state-of-the-art technology. Our manufacturing unit, located in Chennai, is equipped with the latest machinery and adheres to global quality standards. This ensures that every elevator we produce is crafted with precision, durability, and efficiency.

Our manufacturing process incorporates innovative technology and automation, enabling us to deliver high-performance elevators with smooth operation and long-lasting reliability.

“

**From residential lifts to commercial & specialized solutions, we integrate innovative designs and customized features to meet the unique requirements of each project.** ”

From residential lifts to commercial and specialized solutions, we integrate innovative designs and customized features to meet the unique requirements of each project.

We emphasize continuous research and development to stay ahead of industry trends and incorporate the latest technological advancements into our products. This dedication to innovation helps us maintain high safety standards, energy efficiency, and cost-effectiveness in all our elevator solutions.

By combining precision engineering with a commitment to quality, we ensure that every elevator we manufacture provides the best possible experience for our clients, whether in residential, commercial, or industrial settings.

# TEAM & EXPERTISE

At Qube Elevators, our strength lies in our experienced and dedicated workforce. We have a core team of 20+ professionals spread across key departments including Design, Erection, Testing & Commissioning (T&C), Quality Control, Purchase, and Maintenance. Each team member plays a crucial role in ensuring that every elevator system we deliver meets the highest standards of safety, performance, and customer satisfaction.

In addition to our in-house team, we are supported by a skilled contract team for Erection and Commissioning. This allows us to manage multiple projects simultaneously and efficiently, without compromising on quality or timelines.

Our Design team is equipped with advanced tools and industry expertise to create tailored elevator solutions that meet specific architectural, functional, and aesthetic requirements. From initial planning to final execution, their input ensures precision and innovation at every stage.

To keep our teams up to date with the latest technologies and best practices, we conduct periodical training programs for all technical staff. These sessions focus on the latest developments in elevator technology, safety standards, and installation techniques—enabling us to consistently deliver reliable, efficient, and customized vertical transportation solutions.

# DEALERSHIP & EXPANSION PLANS

At Qube Elevators, we believe in expanding our reach to better serve our customers and partners across the region. Our dealership network plays a crucial role in extending our top-quality elevator solutions to a broader audience, ensuring that our products and services are easily accessible to all.

## PROPOSAL DEALERSHIP

Currently, we have a proposed dealership in one strategic location: Bangalore. This location will serve as a key hub, catering to the growing demand for innovative vertical transportation solutions in the region.

## FUTURE EXPANSION MAP

As part of our aggressive expansion strategy, Qube Elevators plans to open new branches in key cities across Tamil Nadu.

Our expansion plans include opening branches in **Coimbatore, Trichy, Madurai, Salem, Cuddalore, Tirunelveli, Thiruvallur, and Kanchipuram**, along with additional locations in **Vijayawada, Nellore, and Vizag in Andhra Pradesh**.

Each new branch will be opened with a gap of approximately four months to ensure careful planning and smooth operational setup.

This expansion will allow us to cover every part of **Tamil Nadu** and select cities in **Andhra Pradesh**, strengthening our presence and ensuring that customers in all regions have access to our superior elevator solutions.

## OPPORTUNITIES FOR DEALERSHIPS / PARTNERSHIPS

We are actively seeking new dealership and partnership opportunities in untapped markets. As we expand our network beyond South India and into international markets, we invite potential partners to join us in our mission to provide high-quality, reliable, and innovative elevator systems.

Dealers who partner with us will benefit from extensive training, marketing support, and access to cutting-edge products, all backed by Qube Elevators' commitment to excellence.

# SAFETY AND COMPLIANCE

At Qube Elevators, safety is our top priority. We are committed to adhering to the highest safety standards to ensure that our products and services meet both regulatory requirements and the expectations of our clients. Our team works diligently to create safe, reliable, and efficient elevator systems that exceed industry standards for vertical transportation.

We follow strict compliance with national and international regulations, including IS 14665 (Indian Standard for Elevators ensuring that every elevator we manufacture, install, and maintain adheres to safety protocols.

Our **design and manufacturing processes** incorporate **safety features** such as emergency brakes, fire-resistant materials, seismic protection, and advanced control systems to guarantee smooth and safe operation. Additionally, all of our installations undergo thorough **Testing & Commissioning (T&C)** procedures to verify that each elevator performs as intended before being handed over to our clients.

To maintain the highest safety standards, we conduct **periodical safety audits, risk assessments, and compliance checks** throughout our projects. Furthermore, we ensure that all team members—both in-house and contractors—receive **regular safety training** to stay up-to-date with the latest safety protocols and best practices.

**Our commitment to safety and compliance is an integral part of our corporate culture and is reflected in every product we deliver, from residential and commercial lifts to hospital and goods elevators, ensuring peace of mind for our clients and end-users**

I wanted to take a moment to express my sincerest appreciation for the outstanding service provided by your team during the installation of the lift in our San Breeze Apartment developed by SanVista Developers

From the initial consultation to the final installation, every step of the process was executed with professionalism and efficiency. Your team's expertise and attention to detail were truly remarkable, ensuring that the lift was installed seamlessly and met all of my requirements.

Not only has the Qube lift enhanced the accessibility and convenience of the Apartment, but it has also exceeded my expectations in terms of functionality and design. I am thoroughly impressed with the quality of the product and the level of craftsmanship demonstrated by your team.

It has been a pleasure working with such a dedicated and skilled team. I would not hesitate to recommend your services to anyone in need of elevator solutions.

Thank you Balaji once again for transforming my Apartment into a more accessible and looking forward to work on my next project.
